THE LOO

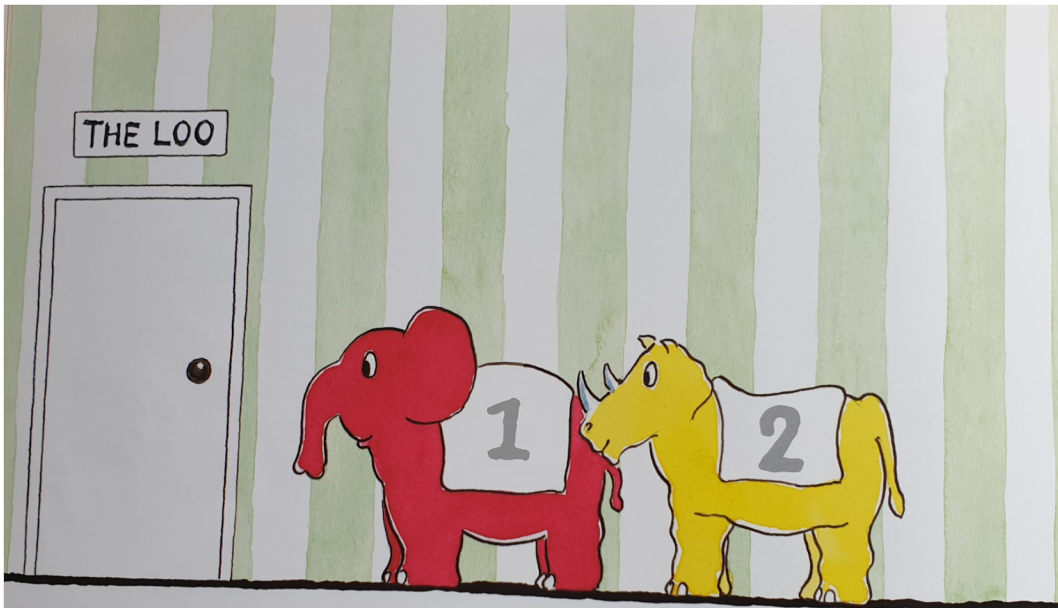

Pink Elephant is here,
the first to go to the loo.

1

One animal queues to do what he must do.

Yellow Rhino is next to join the end of the queue.

2

Two animals queue to do what they must do.

Green Giraffe arrives with a skip, a jump and a . . .

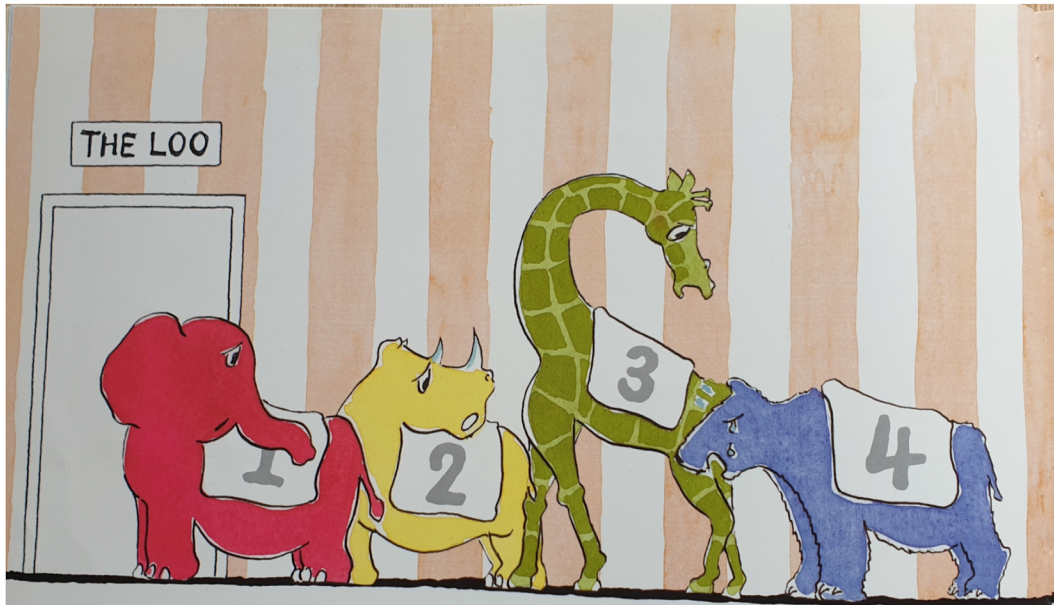

3

Three animals queue
to do what they must do.

Blue Bear, he looks so sad.
"Boo hoo hoo!"

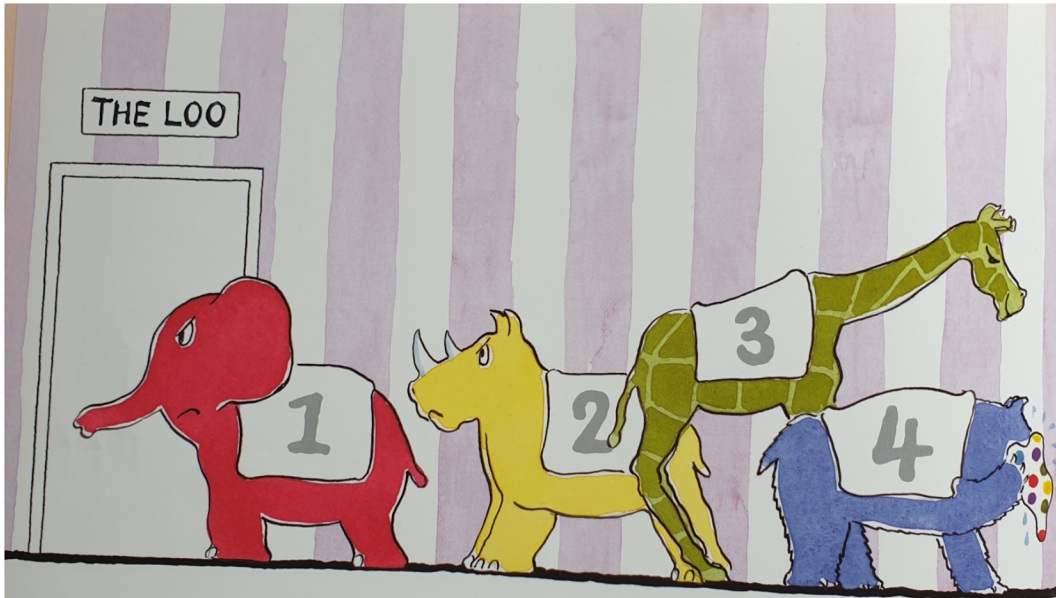

4

Four animals queue
to do what they must do.

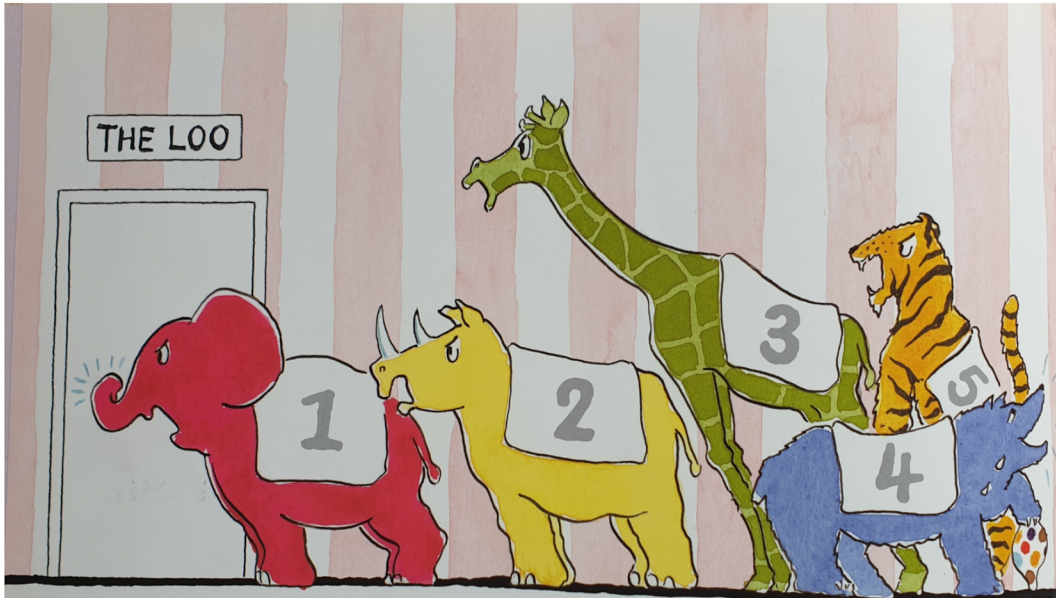

Orange Tiger comes along
to cheer up poor old Blue.

5

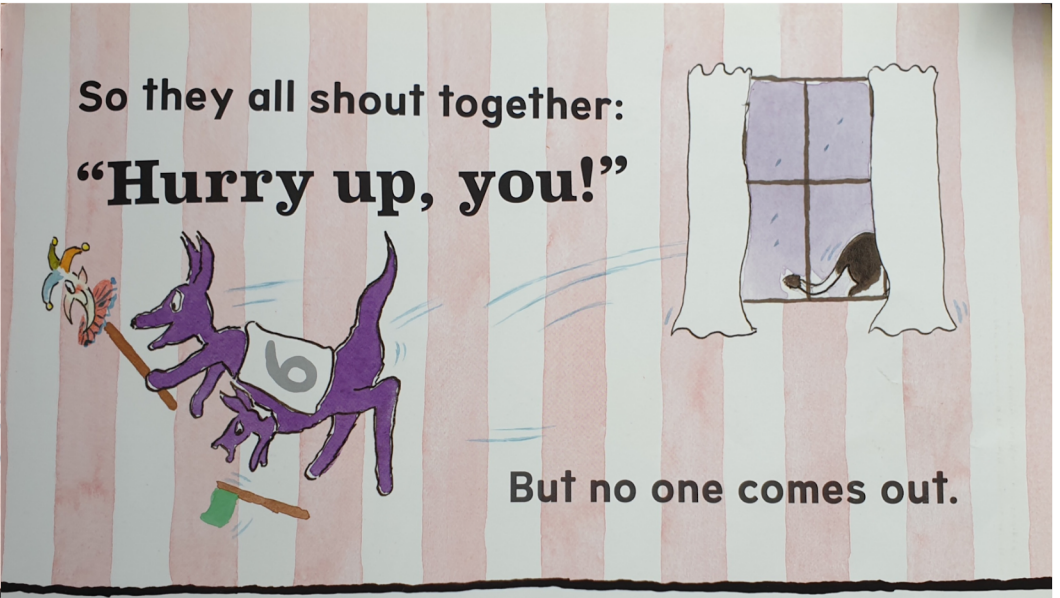

Five animals queue
to do what they must do.

Bouncy, bouncy, bouncy bounce
comes **Purple Kangaroo**.

6

But **six** animals are tired of waiting in a queue!

So they all shout together:
“Hurry up, you!”

But no one comes out.

“Let’s take a peekaboo.”
They open the door and find . . .

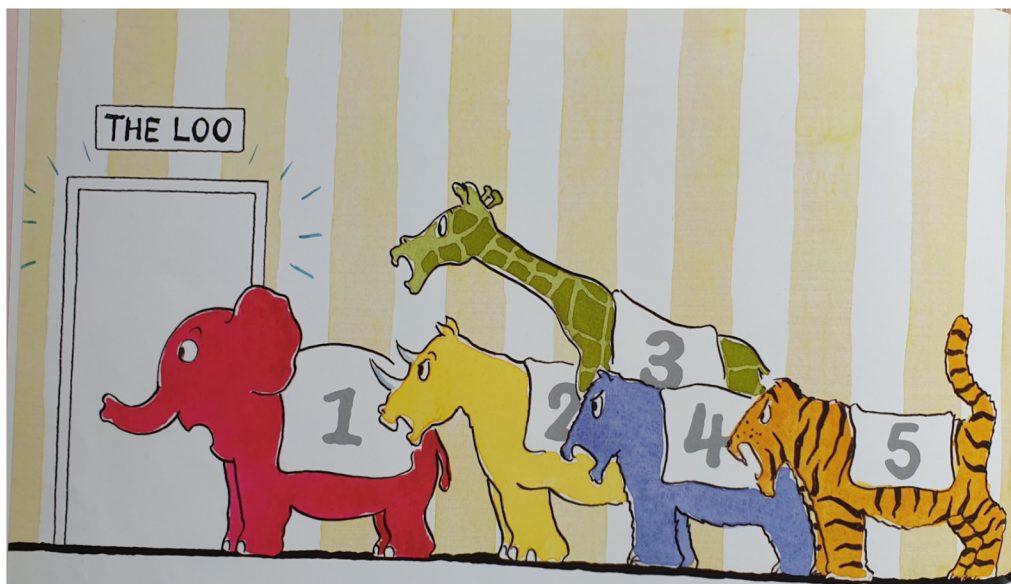

No one in the loo!

*Oh, how the animals argue -
what a hullabaloo!*

Then ...

SLAM!

Now there's someone in there,
someone new - but who?

Here's a **COW** all black and white.
Who moos, and moos, and moos!

7

Seven animals queue to do what they must do.

Flying down to join them is Indigo Cockatoo.

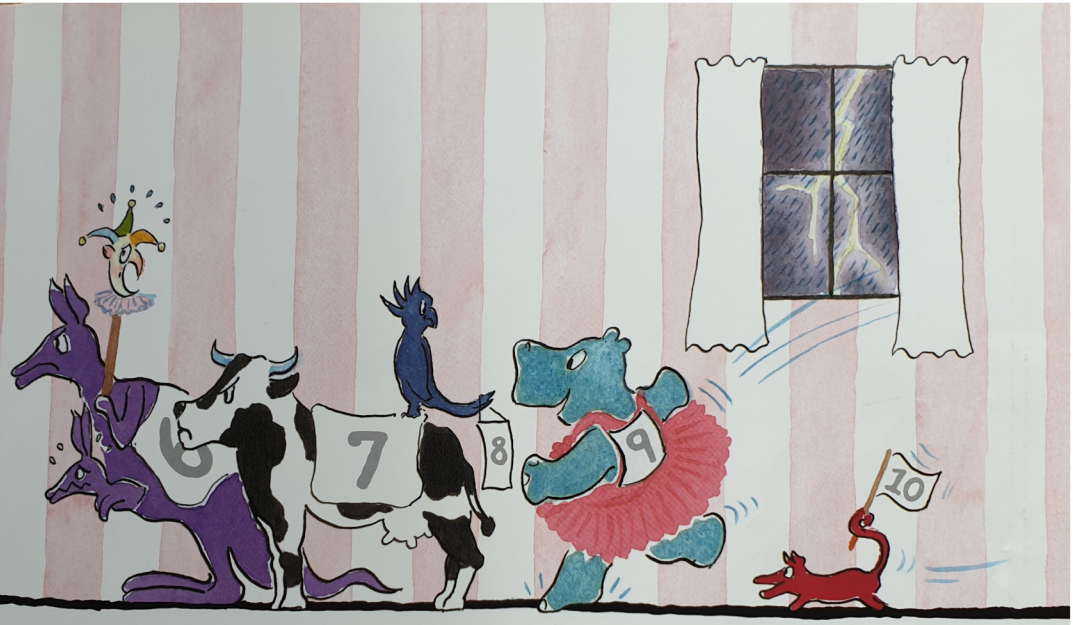

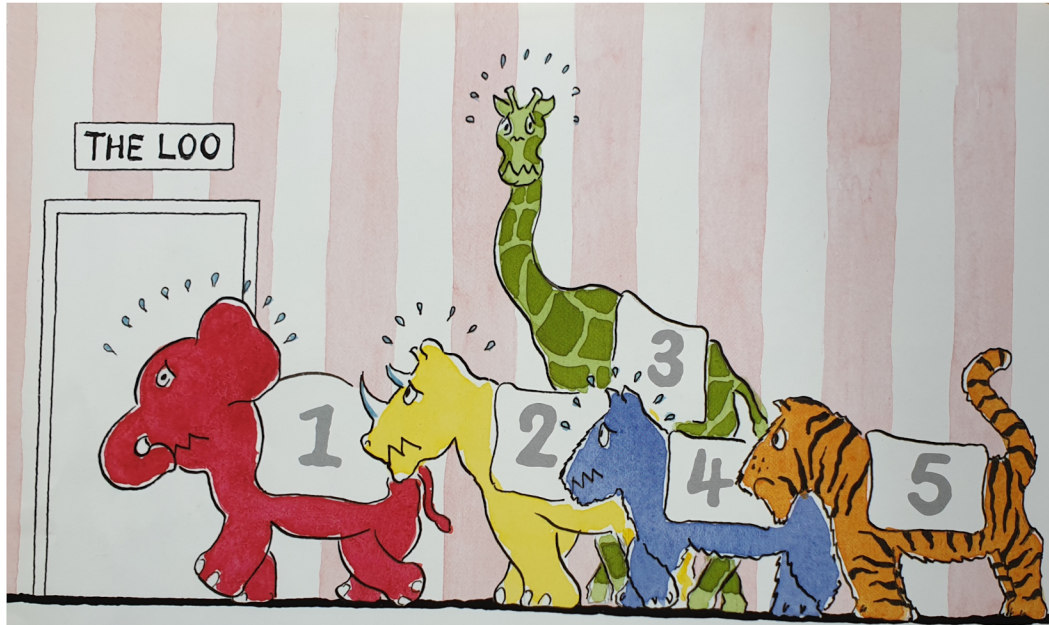

8

Eight animals queue to do what they must do.

Turquoise Hippo looks so cute in his ballet tutu.

9

Nine animals queue to do what they must do.

And finally comes along a tiny Crimson Shrew.

So they all shout together:
“Hurry up, you!”

10 Ten animals queue
to do what they must do.

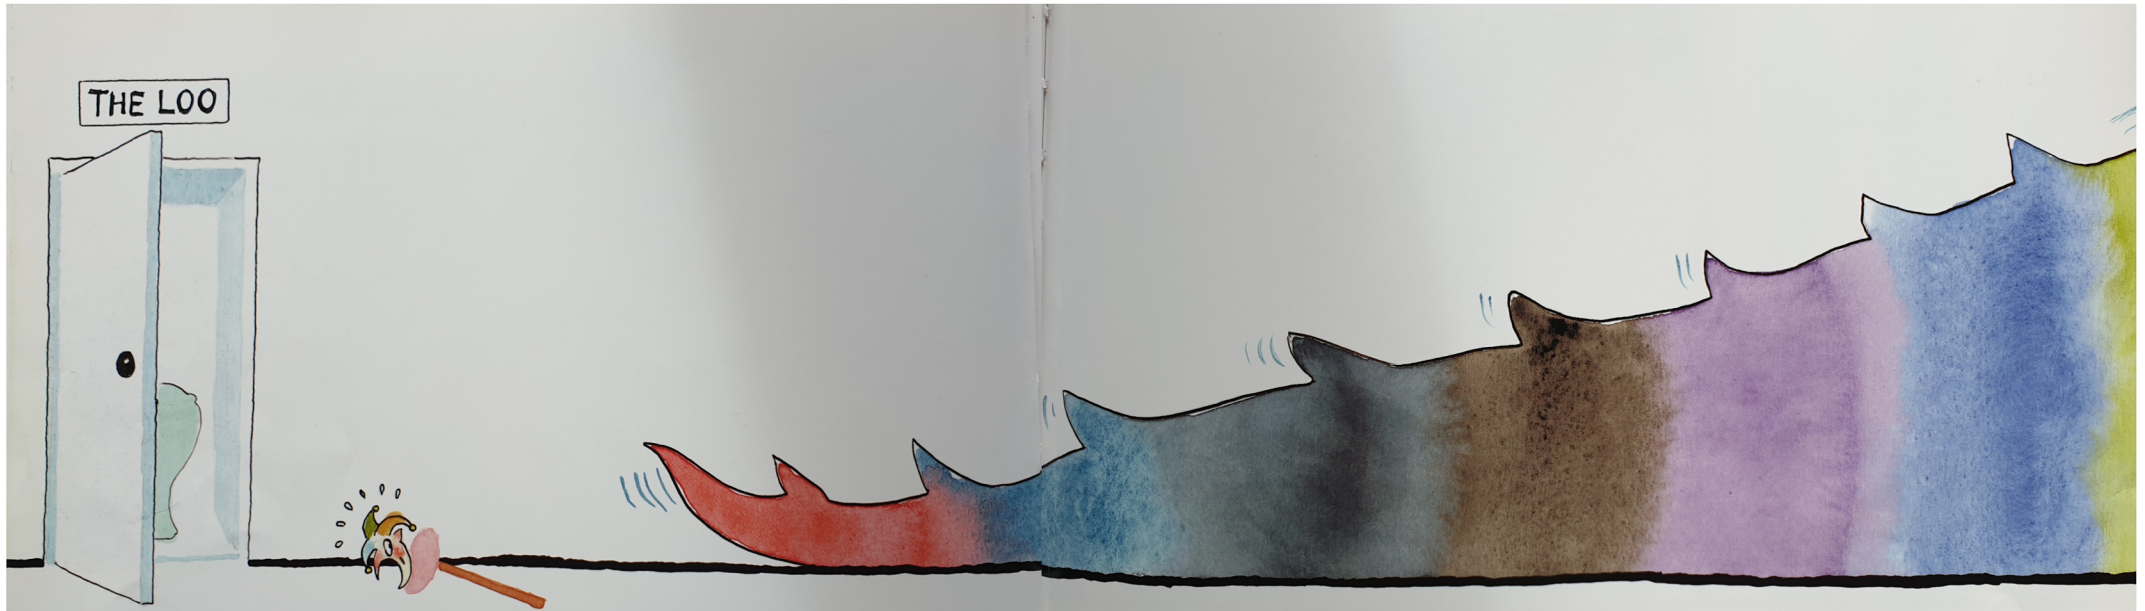

The door slowly opens.
Something comes in view.
And a deep, **deep** voice says . . .

**“Anything
I can do?”**

THE LOO

**And suddenly –
how strange ...**

**Now no one
needs the loo!**

And so, **at last**, it's free for ...
